Jose I. Ballester

Es una colección de iluminación basada en una tulipa de cristal opal de gran formato de diseño romántico, por sus formas, pero de adaptación total a cualquier ambientación bien sea moderna, clásica e incluso de entorno vanguardista. Por su volumetría esta pensada para albergar vistiendo, la iluminación de bajo consumo. La colección la componen colgantes en racimo... lineales, y colgantes simples, ajustables todos ellos en altura. Así como pie de salón sobremesa y aplique de pared. La tulipa esta realizada en cristal opal soplado, trabajado y rematado manualmente. Sus elementos metálicos de complemento están en el acabado níquel mate.

This lighting collection is based on an opal glass lampshade in a large format whose shapes have a romantic design, completely adapted to all environments, regardless if they are modern, classic or even avant-garde. Its volumetric design has been created to house decorative low-consumption light. The collection is comprised by hanging lamps in a grape bunch design, linear models, and simple hanging lamps, all height-adjustable. It also includes floor lamp, table lamp and wall lamp. The lampshade is executed in blown opal glass, manually handcrafted and finished. Its accessory metal elements have a dull nickel finish.
