

# Ripple - Ring Ø700 - APP Compatible

BIG - Bjarke Ingels Group

IP20   Regulable: 

## LUMINARIA

- Potencia (W): **50W**
- Flujo Luminoso (lm): **3339lm**
- CCT: **3000K**
- Efficiency: **51%**
- Efficacy: **66.77lm/W**
- CRI: **90**

## Notas

To obtain the same luminous flux in case of compositions with several Ripple of different sizes side by side, set the drivers as follows:  
Ripple 500 - 20W  
Ripple 700 - 29W  
Ripple 900 - 38W

## ESPECIFICACIONES

This suspension system shapes the qualities of space through molecular growth, combining light and sound absorption. Comprised of circular structures in three different diameters, it works through layers of performance that can be modulated as required.

The structures unveil "pure" light or can be enriched by a diffuser which, in addition to interacting with the light, offers sound absorption properties.

The basic element of the product is a circular ring whose profile is a synthesis of optics and mechanical engineering. Ripple elements can also be combined in increasingly complex customised solutions: from simple lines or geometries of elements with a constant diameter, to compositions that combine different diameters in a more organic and free growth, through to show-stopping, striking solutions.

Once again, Artemide's project with BIG is guided by a strong idea of interaction with spaces, an open, modular and scalable solution that combines technological innovation with compositional intelligence, translating all this into something apparently simple but striking and full of potential. This freedom of configuration is then mirrored by the flexibility in management granted by interaction with Artemide App.

**CÓDIGO PRODUCTO: 2061010APP**

## CARACTERÍSTICAS

- Código del artículo: **2061010APP**
- Color: **White**
- Instalación: **Suspensión**
- Material: **Heat-conducting moulded plastic**
- Serie: **Design Collection**
- Entorno de uso: **Interior**
- diseño: **BIG - Bjarke Ingels Group**

## DIMENSIONES

- Altura: **cm 3**
- Diámetro: **cm 70**
- Diámetro base: **cm 20.5**
- Altura máxima del techo: **cm 165**

**ACCESORIOS**

Device for switching and controlling Artemide App products. Max N.3 inputs for external push buttons. Mains power supply required. To be installed inside flush mounting boxes or junction boxes. DV1080APP
